this 20th anniversary edition introduces the unique approach of listening hearts to the spiritual practice of discernment for a new generation written to make the often elusive and usually clergy centered spiritual practice of discernment accessible to all people listening hearts features simple reflections and exercises drawn from scripture and from quaker and ignatian traditions the seminal work in the listening hearts series this book has been a beloved resource for tens of thousands of individual readers retreat participants small groups and church leaders listening for and responding to god s call in their lives

keeping in tune with god is an essential resource for clergy and the people who love work with and care about them based on the tested wisdom of listening hearts discernment the book provides clergy with encouraging words and practices to develop their relationships with god their families and friends to carry the practice of spiritual discernment into the life of their congregations and to work more effectively with other leaders to nurture the life of christ in the world around them

what does it mean to be called how does one discern his or her calling there has been much discussion about these topics within the church and perhaps much confusion as well what if we could root the nature of the believer s calling and vocation from a missional perspective this book seeks to understand how a deeper understanding of god s mission can help believers discern the work to which they are called and equip them for missional witness in and through their work importantly rooting our understanding of vocation and calling in god s mission gives space for new emphases within the conversations related to faith and work including theologically and contextually grounded emphases on creativity vocational freedom and vocational discernment along with innovative educational models

which can support believers as they navigate their work as participants in god s mission when believers connect their gifts talents and creativity with god s work in and for the world in a way that is contextually relevant it opens up opportunities for transformative witness for both believers and for the organizations they serve

discernment reading the signs of daily life features the wisdom that spiritual leader and counselor henri j m nouwen brought to the essential question asked by every christian and seeker what should i do with my life nouwen emphasizes listening to the word of god in our hearts in the bible in the community of faith and in the voice of the poor as a way to discern god s plan although the late henri j m nouwen counseled many people during his lifetime his principles of discernment were never collected into a single volume now in association with the nouwen legacy trust michael christensen one of nouwen s longtime students and rebecca laird have taken his coursework journals and unpublished writings to create this and other books in the series exploring god s will for your life

this is a book about discernment tuning in and listening to god s call prayerfully reflecting on that call clarifying what that call is and responding to what you feel and hear people involved in all sorts of ministry and those who would like to be involved but find their calling in discord with the position of the church will find this book a valuable tool in determining what is of god and what is not and how to set their own direction the book includes a series of personal stories from both the author and others to help illustrate the concepts a unique feature of this process is that it can involve loss the loss of who you are today in order to become what is your calling dr karaban carefully shows how this process of loss closely resembles the grieving process and helps readers mourn and move through the losses to become what god and you want

looks at the various ways gods calls us and empowers us to live out the purposes for
