the stationery office annual catalogue 2011 provides a comprehensive source of bibliographic information on over 4900 parliamentary statutory and official publications from the uk parliament the northern ireland assembly and many government departments and agencies which were issued in 2011

cape town south africa 7 sept 2016 8 sept 2016 theme sustainable economies in the information economy purpose to share the quality academic papers presented at the international conference on business and management dynamics icbmd held from 7 to 8 september 2016 at african pride crystal hotel and spa in cape town as grey literature the proceedings are the contributions made by researchers at the conference and are considered the written record of the work that was presented to fellow conference delegates methodology the methodology used varies from researcher to researcher but are suitable for the studies conducted thus on the one hand studies that were subjective in nature used the interpretive paradigm where the qualitative approach adopted made use of the interview method to collect data on the other hand studies that were objectively inclined adopted the positivist philosophy and used survey questionnaires to collect data however there were some academic papers which used mixed methodology because of the nature of the study whatever methodology used adhered to the ethos of the philosophies underpinning the methodology contribution made to scholarship the articles come from individual researchers and each article in the proceedings is unique mostly there is no general argument leading from one contribution to the next however it is interesting to note that in the area of economic performance it was evident that real exchange rate and net foreign direct investment contribute more towards innovations in economic growth with regard to human capital development papers presented evidence that there exists a definite need to explore the phenomenon of personal branding as limited scientific academic research has been done within the field of personal branding or on elements of the topic thus the outcome argues that personal branding has an influence on leadership style which in turn impacts on organisational

performance and related hygiene factors furthermore it was demonstrated that current methods or strategies for enforcing institutionalisation of knowledge sharing within an organisation have not been successful and as such new strategies are needed to reinforce efforts to nurture and invigorate the institutionalisation of knowledge sharing within an organisation with regard to technology and big data impact on organisational performance it was evident that system performance memory consumption and cpu utilisation can be used as criteria to compare and evaluate big data technologies to improve organisational performance most of the articles contribution reemphasised technology education and training as a means of digitising business and improving effectiveness target audience the target readership is academic researchers and business leaders who require access to the latest developments in the fields of economics information management business education development studies social sciences and technology it is also for policymakers and other stakeholders who need a better understanding of the impact of new developments on existing policies and regulations for their review or amendment

debates various topics involving big business including are oil companies too powerful should pharmaceutical patents still apply in developing countries and should big business be allowed into schools

the global newsletter of theatrical and post theatrical rights and markets

the majority of disasters are water related with the flow of freshwater mostly occurring in transboundary basins this words into action guide has been prepared by unece and unisdr to support the implementation of the sendai framework it aims to raise awareness on the importance of river basin management and transboundary cooperation in disaster risk reduction while taking into account climate change adaptation it provides information on steps that governments in particular at the different levels can take to harness the values of river basin management and transboundary cooperation together with good practices and lessons learned in this field

this collection of essays from a special issue of american quarterly explores the complex and sometimes contradictory ways that religion matters in contemporary public life religion and politics in the contemporary united states offers a groundbreaking cross disciplinary conversation between scholars in american studies and religious studies the contributors explore numerous modes through which religious faith has mobilized political action they utilize a variety of definitions of politics ranging from lobbying by religious leaders to the political impact of popular culture their work includes the political activities of a very diverse group of religious believers christians jews muslims hindus buddhists and others in addition the book explores the meanings of religion for people who might contest the term those who are spiritual but not religious for example as well as activists who engage symbols of faith and community but who may not necessarily consider themselves members of a specific religion several essays also

examine the meanings of secular identity humanist politics and the complex evocations of civil religion in american life no other book on religion and politics includes anything like the diversity of religions ethnicities and topics that this one does from mormon political mobilization to attempts at americanizing muslims in the post 9 11 united states from césar chávez to james dobson from interreligious cooperation and conflict over darfur to the global politics surrounding the category of hindus and south asians in the united states
